

LUKAS

superior equipment for saving lives

STRONGARM™

**MULTI-TOOL.
ALL-PURPOSE WEAPON.
TRAILBLAZER.**

THE STRONGARM. CLEARS THE WAY, EVERY TIME.

The LE 100 StrongArm by **LUKAS** is all business when something gets in its way. Whether it is a **door, gate, lock, chain** or **cable** – this powerful multitasker makes short work of everything between it and justice! The StrongArm forces open bars and lifts obstacles weighing up to 4 tons! It also opens car doors, trunks and car hoods. Driven by a powerful battery, the device offers full performance in extreme conditions. In operation, the StrongArm is law's strong arm!

STRONGARM

▶ Your mission. Your multi-tool.

Whether police, special units, customs or rescue forces: You want to save lives. To make sure justice wins. Put a stop to crime. Whether on land, on water or in the air. No one stands in the way of your success. Because no obstacle is as powerful as the StrongArm.

ONE TOOL, ENDLESS TASKS!

PEAK PERFORMANCE, WITH OR WITHOUT TIPS!

Lightweight, mobile, versatile

With the **door opener tips** at the StrongArm you can pry open doors or windows and lift loads. The **combi tips** turn it into the perfect spreading and cutting tool. **Without tips**, it makes short work of chains, locks and steel components of all types.

3-in-1

Open!

Doors, gates, trunks hoods, etc. up to 4 tons.

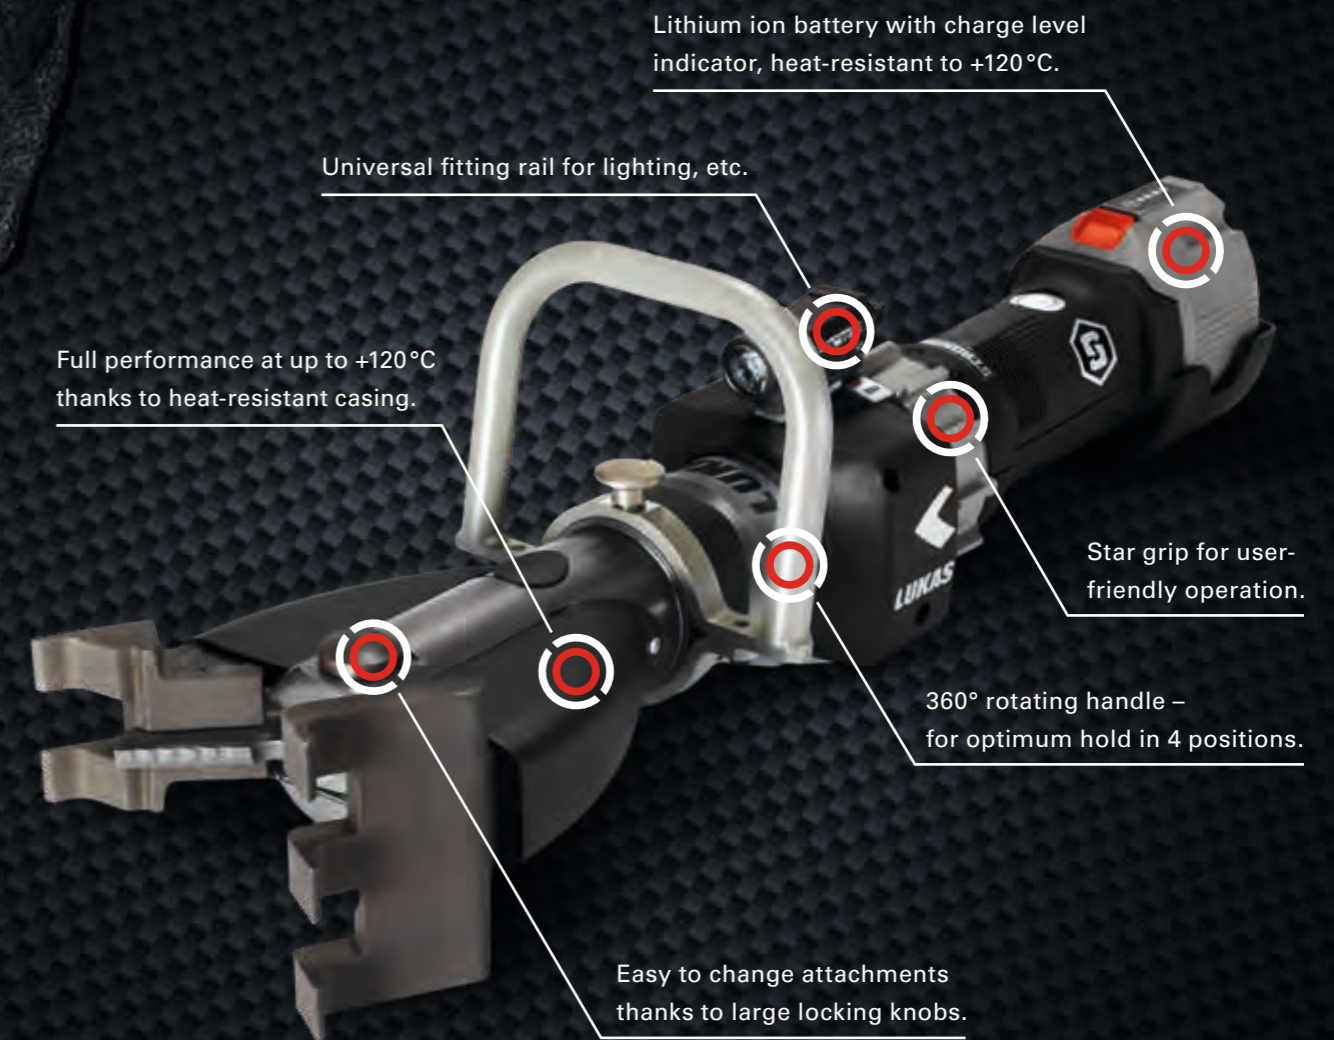

Cut!

Round bars up to 22 mm and chains up to 10 mm thick.

Spread!

With up to 700 kN of spreading force.

Technical Data	LE 100 StrongArm
Cutting force up to	34.845 lbf. / 155 kN
Steel bars up to*	0.87 in. / 22.2 mm
Blade opening with combi tips	8.15 in. / 207 mm
Spreading force	6,300 – 157,000 lbf. / 28 – 700 kN
Spreading distance with door opener tips	7.3 in. / 184 mm
Spreading distance with combi tips	8.5 in. / 215 mm
Dimensions with combi tips: l x w x h	31.3 x 7.7 x 8.3 in. / 796 x 195 x 210 mm
Weight**	21.6 lbs / 9.8 kg
NFPA-Classes	A5/B3/C5/D6/E6

* in accordance with EN 13204, NFPA 1936 **without battery and tips Battery weight: 2.9 lbs / 1.3 kg **WEBCODE: ploame**
delivered as starter kit with battery, battery charger, door opener tips and combi tips

SO YOUR STRONGARM IS PERFECTLY EQUIPPED.

Transport case

Spare battery

► The grippy first responders: LIGHTWEIGHTS WITH SUPER POWER!

► Combitool SC 258 E2

- + new slimmer D-handle for more effective handling and better balance
- + cutting class with round material per Euronorm could be elevated from „F“ to „G“
- + weighing only 14.8kg without battery, the SC 258 E2 will be positioned below the important 15kg limit

► Combitool SC 358 E2

- + high-performance blade geometry for the highest cutting power
- + removable spreader tips for more effective cutting due to reduced material compression
- + effective pulling thanks to the KSV 11 chain set

► Combitool SC 250 M

- + rotates by 360°
- + handy, light, autonomous
- + low leverage of the integrated hand pump
- + automatic switching between low and high pressure

► Hydraulic door opener set HTS 90

- + quiet operation with hand pump
- + opens doors with multiple locks
- + the secret weapon against security doors
- + designed for working in confined spaces

**WHERE THERE IS AN
OBSTACLE,
THERE IS A
WAY.**

Our products are impressive in practice.
