

HIGH-PRESSURE HAND PUMPS

1000/1600/2500 BAR

▶ ADVANTAGES

- Available in three different maximum pressures
- Constant conveying capacity up to the respective maximum pressure
- Easy working thanks to relatively low hand lever forces
- Reliable and durable quality
- Lockable pump lever forms carrying handle

Type	Order No.	Hand lever force at (kg/bar)	Filling quantity (l)	Usable oil quantity (l)	Conveying capacity per stroke (cm ³)	Mass (kg)
