

LES 18 FLEX

LES 18 FLEX - RESCUE SAW FOR LAMINATED GLASS, METAL & WOOD

The rescue saws are indispensable for quick removal of laminated glass. The LES 18 additionally cuts metal, wood and plastic and is therefore perfectly suited for work after traffic accidents, in buildings, off-road or on turntable ladders.

We offer the LES 18 FLEX in a practical complete case:

1x LES 18 FLEX Saw
1x instruction manual
1x 230V battery charger
2x battery 18Volt 4
x saw blades with a length of 152mm
