

LX GUARD

RELIABLY KEEPS GLASS SPLINTERS AWAY FROM ACCIDENT VICTIMS

The LUKAS shatter protection **LX GUARD** reliably keeps glass splinters away from the accident victim and is therefore indispensable for a patient-friendly rescue. Depending on the accident situation and the condition of the injured person, it can be used with a transparent window or with a completely closed surface.

Scope of delivery:

1x Splinter guard

1x Bag LX Guard HR148419056

Material splinter protection:

100% polyester fabric, PVC coated on one side 360g/m², PN-EN 71-3+A3:2018-9.

Material splinter shield:

transparent PVC foil, temperature resistance ASTM D-1790: -25 + 70°C, self-extinguishing ASTM D 568

Technical Data

Dimensions:

Sichtfenster: 70 x 50 cm, 145/210 x 100cm

Weight:

1 kg
