

Set of stacking plates

HYDRAULIC LIFTING AND RESCUE

If only low telescopic cylinders fit under a load for space reasons, increase the lifting height by up to 150 mm with the step sets.

Technical Data

Fork lever. quantity:	1
Piston plate quantity:	3+1
Piston plate height:	65+45 mm
Weight:	14,5 kg
Stacking ring quantity:	4
Stacking ring height:	65 mm
Max. stroke extension:	240 mm
