

THE NEW STANDARD IN THE BATTERY-POWERED COMPACT CLASS.

The new eDRAULIC cutter S 312 E2 weighs less than 20 kg (incl. battery!) and is easy to hold, but makes a heavy impression. The reason: blade opening width, cutting force and cutting performance for round material have been further optimised compared to the predecessor model S 311 E2. The result: the top cutting class I! There's no doubt about it: this innovative cutter will make your job much easier - today and in the future.

## Technical Data

Dimensions:	<b>905 x 237 x 281 mm</b>
EN-Classification:	<b>BC 160 I-19,4</b>
EN cutting class:	<b>I</b>
EN Cutting capacity:	<b>1I – 2I – 3I – 4J – 5J</b>
Weight:	<b>18,5 kg</b>
Blade opening:	<b>160 mm</b>
NFPA cutting classes:	<b>A7, B8, C7, D7, E7</b>
Round steel up to:	<b>35 mm</b>
Cutting force up to:	<b>680 kN</b>
Protection class:	<b>IP 54</b>
Series:	<b>e2</b>
